

- Remember those great pictures where you could actually see everyone clearly? Well, they're still available through our **panorama** picture program.

Whether you choose to buy a print as a gift for everyone in the picture or use our order form to pre-sell the image, we can help you turn this into a successful fundraiser for any group larger than 100 people.

It's so easy... we come to your location, set up our own risers to accommodate the group, and then take the picture using one of our 6"x17" panoramic cameras. The best image is selected, prints are made, organized, and then sent off to you for distribution, or you may elect to implement our "mail home" program. So, if you're looking to offer your school something a bit different, contact us today.

The Details

- Full color prints include up to three lines of text
- Prints are either 8"x24" or 10"x30", your choice
- It's fast! It takes approx. 45 minutes to complete a session
