

# service items

● Many schools require copies of the images we capture. Some want to merge portraits into school databases for quick and easy reference while others need the images for class projects. We can help and if you don't see what your looking for just let us know:

**THE BASICS** - Automatically provided to every client:

- Free scholarship packages
- Free class pictures for everyone (for schools with over 150 students)
- \$100 towards cultural arts programming (for schools with over 150 students)
- Free faculty packages
- A class picture album (if applicable)
- Free class pictures for teachers (if applicable)
- Loyalty Program Membership

**THE FREE CHOICES** - Select any two items listed below for free:

- "Image & Info" labels - Individual portraits and info presented on pre-cut 1" x 1.5" labels for peel and stick simplicity. Use in student folders, medical records, rolodex cards, special projects, etc. Custom sorts available and up to 2 sets at no charge
- Directories - Up to 36 images on each 8.5"x11" page presented in an album with text below each image. Custom sorts available.
- Student Information CD - A user friendly CD that lets you quickly look up a student's image and info, and includes easy to use templates for classroom composites, birthday cards, and any custom design you wish to create.
- CD's for import into meal plan software (Café-Terminal, Lunchbox, etc.)
- CD's for in house database programs (MacSchool, WinSchool, SASI, Athena, etc.)

**OPTIONAL FEE BASED ITEMS** - An invoice will be provided or the total amount deducted from your commission (if applicable) for the items listed below:

- I.D. Cards
- Yearbook CD's
